

## QUICK ACCESS MENU: WI-FI

To locate and connect to available Wi-Fi networks, follow these simple steps:

1. Choose Wi-Fi
2. Turn on Wi-Fi
3. View available wireless networks within range of your listed
4. Choose the network to which you want to connect (If the network is not listed, make sure the network is turned on and within range of the **CPR<sup>3</sup>** tablet)
5. If this screen appears, enter the password and choose **CONNECT** (If this screen does not appear, go to the next step)

The **CPR<sup>3</sup>** tablet is now connected to the Wi-Fi network, and you can return to the Home screen. (Once connected to the Wi-Fi network, you can access the Internet via a web browser or apps.)
